# Marching Band Event Procedures

1. All students must have their filled water jug, black music binder with page protectors, instruments, drill cards and baseball cap at all practices, events, and games.
2. Our practice and performance times will end on time, however students are expected to pack equipment up and clean the band room prior to leaving. Please allow additional time for students to help clean up and store equipment in the band room properly.
3. Parents are strongly encouraged to help load & unload the trailer after games on Friday!! All students are required to stay until all equipment is put away and trailer is unloaded.
4. Every Friday, students wear their Dunwoody Bands Shirt to show pride! On Home games, students will report to the band room at 7:30am to play mini pep rally on the “bridge” for students and faculty before the school day starts.
5. A fun DHS Bands tradition is for students to participate in the “Secret Pals” program. All students who wish to participate, will select a random member's name out of a hat at the beginning of the season. Every home game during the season, they will bring a special treat to their secret pal. On the last game, the students will reveal who their secret pal was.
6. It is imperative that all students are picked up within 30 minutes of dismissal. Everyone in the Remind text group will receive notifications on when events are over and students can be picked up. If parents cannot pick up their student within 30 min of dismissal, alternative transportation arrangements must be made.

## Friday Game Day/Night Procedures:

- Students will leave after school & return at designated report times to Load Buses/ Equipment Trailer and head to Football Games
- Students will have a uniform and equipment inspection while standing in Attention. Leadership will check that all mandatory items are there. If students fail an inspection ( they are missing an item) students are subjected to a variety of consequences based on infraction. ( Ex - no third quarter break, no halftime show participation, additional sectional practice time, etc.)
- Home Games are @ North Dekalb Stadium. Away game report times may vary. We will play the National Anthem before all Home games.
- After the Football Games, students will return to DHS to unload equipment and organize the band room. Each section is assigned “organization stations” and must complete prior to being dismissed.

- Parents must pick up students within 30 minutes of student dismissal.

### **Practice Day Procedures:**

- Students will stay after school and report to the band room right after school dismissal for marching band practice. Students will fill water bottles, change into athletic clothes and shoes, gather equipment and head to the field to set up and get ready for practice.
- Practice will start promptly at 4:00pm every Tuesday and Thursday.
- Practice ends at 6:00 on Tuesdays and 6:30 on Thursdays. Once students return equipment to the band room, they are dismissed. Parents must pick up within 30 minutes of dismissal.
- Please refer to the attendance policy about Thursday practices. In addition, the “Friday Night Pep Band” members will join us for the last 30 minutes of practice to run through Pep Tunes for the game.

### **Competition Day Procedures**

- Traditionally we will compete in two competitions per season. They are an all day Saturday event. Please refer to the band calendar for competition dates.
- Students will arrive at the high school in the morning with all items and equipment needed for the day. We will have a morning rehearsal prior to leaving for the competition.
- Traditionally, students like to have a big breakfast at the school prior to report time with their section. “Pot-luck Good Luck Breakfast” if you will!
- We will provide lunches for the students prior to the competition time. Students are encouraged to bring additional snacks or money to purchase food at the concession stands for their dinner break.
- After we perform, we will re-enter the stadium as spectators and watch the other amazing performances! Students can bring clothes to change into, blankets, snacks, comfy shoes, etc. It will be late October/Early November, so layers are encouraged!
- Students will always perform better with a crowd!! I strongly encourage 100% parent attendance at our competitions! You do not have to stay the entire day, but it will make a big difference in our performance if we hear the support from our parents and friends cheering us on! ( We can even earn bonus points for General Effect if the crowds are cheering and enjoying our show!).
- Parents will be notified through Remind Text when we are returning. Because it is a very long day, please make sure students are picked up within 30 minutes of dismissal. Typically we will not return to the school until 11-11:30pm. Please make arrangements for transportation.

# Uniform Policy - Color Guard

All Marching Band Color Guard uniforms must be worn correctly at all times, must be properly cared for and respected, must be properly hung back up after every event, and must be worn with pride.

While you are in uniform, you represent the Dunwoody High School Marching Band, our School and our Dunwoody Community. You will refrain from profanity and poor conduct while in uniform. You must also refrain from eating and drinking anything but water while in uniforms.

The color guard uniforms are custom made for each show theme and color guard member each season. You will be sized during band camp and uniforms will be ordered. You must have marching band dues paid in order to receive your color guard uniforms and perform in them.

## Attendance Policy

Conscientious rehearsal attendance is always vital to the well-being of our program. As we put drill on the field and work to develop our competitive show, it is essential that all band members are present for the entirety of all rehearsals. Regular attendance at rehearsals as well as a solid ability to play the show music and march drill will ensure a position. Additionally, as we clean sets, we need all positions present in order to clean forms and intervals properly.

The following is the Dunwoody High School Band attendance policy.

- Rehearsal attendance is mandatory.
- Excused absences include illness (absence from school), death in the family, religious events (weddings, funerals, bar mitzvahs, confirmations) and major anniversaries are considered excused.
- Students may be excused from a portion of rehearsal to attend a private music lesson (1 hour).
- Students should fill out an ABSENCE FORM a minimum of 5 days prior to the absence and turn it into Ms. Caputo. <https://forms.gle/djEzSpQonWfA13hb6>
- A rehearsal missed due to work, other outside activities, or an absence not announced before the event will be considered unexcused.

- A student who misses a Thursday night rehearsal for any reason, excused or unexcused, can be held from performing the halftime show at the Friday night game. (They are expected to attend the game and perform in the stands.)
- Auxiliary members not performing are required to be in attendance to games.
- One unexcused absence or two consecutive excused absences may be grounds for removal from the marching band competition show.
- Consecutive unexcused absences may be grounds for not qualifying to earn a Varsity Letter.
- A student who misses any two rehearsals in each week, for any reason, will not perform at the Friday night game.
